- Please consolidate your party rides so the shuttle program can be efficient to other residences.
- All riders inside shuttles must wear a face covering at all times. No eating or drinking unmasked inside a shuttle.
- All riders must be seated at all times in shuttle. No standing room riding allowed.
- Pick-up location is same as drop-off location in front of tram. Please call Shuttle Phone when you are at pick-up location. Shuttles are marked with **HOA Express** on outside of shuttle near the entry door.
- Please know there is NO additional charge for you, your family and friends to use the ski shuttle to and from your residence. If your family or friends are using your residence, unaccompanied, you will just need to register them with the Club prior to their arrival.
